Technical Bulletin #525: 8/21/18 LC User Meeting Agenda

August 21, 2018 (Tuesday)

2:30 PM - 4:00 PM

B132 Auditorium

(Q Clearance Area)

As a forum to share information and important announcements, the Livermore Computing (LC) users meetings are scheduled routinely to get feedback and, most importantly, to hear from users about how the machines are used and what LC can do to accommodate their needs. The following is the agenda for the next users meeting scheduled on August 21, 2018:

Agenda

2:30-2:50	/p/lustre file system deployment
2:50-3:05	Sierra software status
3:05-3:20	LC Systems Status
3:20-4:00	Q&A

All times are approximate. Refreshments will be provided.

*Please share how you are utilizing LC resources at a future LC Users Meeting. Contact Tim Fahey (**fahey2@llnl.gov**, 925-422-4228) to schedule your presentation.*
