Technical Bulletin #520: 2/3/18 LC User Meeting Agenda

February 3, 2018 (Thursday)

10:00 AM - 11:30 AM

B132N Auditorium

Property Protection Area

Individuals without Q clearances wishing to attend should contact their Group Leader to arrange for an escort.

As a forum to share information and important announcements, the Livermore Computing (LC) users meetings are scheduled routinely to get feedback and, most importantly, to hear from users about how the machines are used and what LC can do to accomodate their needs. The following is the agenda for the next users meeting scheduled on September 8, 2016:

Agenda

10:00-10:10	Sierra Status
10:10-10:20	Sierra EA software status
10:20-10:30	Systems Status
10:30-10:40	Lustre Status
10:40-10:50	B654 Status
10:50-11:00	SNL/LANL status
11:00-11:30	Q&A

All times are approximate. Refreshments will be provided.

Please share how you are utilizing LC resources at a future LC Users Meeting. Contact Tim Fahey
